

We are proud to host our annual Student Night to support accounting students from the valley's colleges and universities!

Help us welcome our local accounting students, promote the profession you love and help students prepare for a career in public accounting—all while introducing them to local CPAs. The evening will include a social hour and networking with representatives from local CPA firms, followed by dinner. Andrea Cope, 2009–10 CalCPA chair, will be our featured speaker. Our program will include presenting our chapter's 2010 scholarship awards.

This will be an evening you don't want to miss!

Thank you to our sponsors!
