# Member Awards Night

*Presented by the Young and Emerging Professional Committee*

**Join us this evening as we honor our Young and Emerging Professionals of the Year, our Past Presidents and our New Members!**

**Speaker:** Joel Garfinkle

**Topic:** Power of Perception—Take Control of How Others See You

Your success is directly related to how others perceive you. You can't simply rely on skill, merit and hard work to survive and get ahead. You must learn how to manage perception.

Like it or not, you are constantly being judged, evaluated and observed at work. It's critical for you to make sure others—especially key decision makers—view you as an indispensable contributor to your organization's success.
