

# STUDENT SCHOLARSHIP EVENT

## Free recruiting and marketing!

An additional opportunity to highlight your firm is to underwrite a \$30 one-year student membership to be awarded by raffle at this event with recognition of the sponsoring member or firm.

Our chapter's annual Student Night will include a marketing and recruiting reception with assigned tables for members to present information about their firms. In addition to being a great opportunity to interact with your peers and with our local students, table reservations are *free* to members!

You have most likely seen, heard or had experience with CalCPA members helping other members. Firms that reserve a table at this event will be able to network and build a working relationship with other member firms.

Participating firms and members will also interact with students from our local colleges and universities, giving the students a chance to talk to our members about becoming CPAs. Also, our member firms can get to know students who are available for job opportunities. Students are being encouraged to bring their résumés.

Student Night will be held Friday Nov. 2, 2–6 p.m., at the Ontario Convention Center, 2000 E. Convention Center Way. Registration opens at 1:30 p.m. The first two hours will consist of a panel of member firm representatives from various career paths answering questions from students and will conclude with our student scholarship awards. There will also be an opportunity to hear a brief presentation and to meet CalCPA Chair Teresa Mason. The reception for recruiting and marketing starts at 4 p.m. and will include light hors d'oeuvres. Participating firms should plan to set up their tables for the reception between 3-3:30 p.m.
