Vision

The California CPA Education Foundation is the leading provider of continuing professional education for CPAs and financial professionals.

Mission

Through innovation and in partnership with the CPA profession, we deliver high-quality education and build knowledge to foster excellence and advance individuals and the profession.

Strategic Priorities

- Ensure delivery of high-quality and timely education.
- Promote innovation in education and knowledge delivery.
- Ensure educational offerings support a CPA's full professional life cycle.

Core Values

- Innovation
- Integrity
- Quality and value
- Customer service
- Ethics
