The San Joaquin Chapter is in need of firms and individuals to sponsor accounting students for Student/Faculty Night. Let's give today's accounting students a glimpse into their future careers. In past years the sponsoring CPAs and CPA firms have tried to arrange to meet with the sponsored students at their office prior to the banquet. This gives the CPAs a chance to expose the students to a real work environment; it's a great learning experience for the students. Please try and schedule a visitation day with your students; it does not have to be the day of the banquet whatever schedules permit.
