

2011 Accounting Student Scholarships

The CalCPA San Joaquin Chapter is accepting 2011 scholarship applications from local college and university students. Scholarship amounts range from \$250–\$1,500, and will be presented in November. Scholarships are not based on financial need.

Supported by more than 38,000 members in 14 chapters, CalCPA's mission is to increase the value and promote the integrity of the CPA profession; contribute to the success of our members; and strengthen client, employer, public and government trust in CalCPA member advice, work products and opinions.

One of the ways we hope to meet our mission is to offer scholarships to business students who plan to enter the accounting profession and provide quality leadership and services in the accounting field.

If you are interested, please complete the scholarship application and return it to the address below or email a signed scanned copy (no hand delivery). **Applications must be typed.** Applications and transcripts (official or unofficial) must be received at the CalCPA San Joaquin Chapter office by 5 p.m. Monday, Oct. 31. Applications also may be e-mailed or faxed. We cannot be held responsible for any lost, late or delayed applications or transcripts.
