

## The Changing CPA Landscape: 2014 and Beyond

Join experts from CalCPA and Becker CPA Review on Friday, Feb. 24 to learn all about the upcoming changes to CPA licensure and requirements, effective in 2014.

You'll walk away with a thorough understanding of how to achieve your career goals, as well as tips to help you along the way.

This complimentary course will provide attendees with:

- The latest information on licensure changes
- A timeline for their career goals
- Answers to licensing FAQs
- Expert resources for the CPA Exam and CPA Licensure

Learn all you can about the CPA licensure changes that lie ahead.

Complimentary pizza lunch included for onsite attendees.
