Dear CalCPA Member,

As incoming CalCPA chair, I am pleased to announce the continuation of the CalCPA Leadership Institute for 2017–18. This program is designed to teach potential member leaders the specific skills necessary to grow into future leadership positions at CalCPA and in the profession.

Strong leaders in strategic positions are key to CalCPA's continued success and to the success of any business. CalCPA Leadership Institute is a five-day program designed to teach members skills that will make them better leaders and managers. Participants grow as volunteer and business leaders as they focus on improving leadership behavior, as well as critical thinking and management skills.

The California CPA Education Foundation and CalCPA are underwriting the cost of the program except for a small administrative fee of \$149 that will be the responsibility of the individual participant. Travel expenses will also be the responsibility of the individual attendee.

Qualified candidates are CalCPA members who have the greatest potential for fulfilling future leadership roles at CalCPA. The nominations process requires a completed application to be returned by August 31, 2017.

Leadership Institute dates and locations for 2017-18 are:

November 9 & 10, 2017 (Thurs/Fri) - San Diego
December 6 & 7, 2017 (Wed/Thurs) - Burlingame
January 16 & 17, 2018 (Tues/Wed) - Sacramento

Please help us identify those members who will best lead our organization and profession in the years ahead.

Sincerely,

A handwritten signature in cursive script that reads "Kathy A. Johnson".

Kathy A. Johnson
CalCPA Chair
