

CalCPA Membership

your ticket to a local network of accounting, financial and legal professionals

Being an active member of a CalCPA Chapter offers a wide variety of resources that make your CalCPA membership a *career enhancing*—and personally rewarding—experience. At the heart of our chapters are committees and local interest groups that focus on specific practice areas and enable you to *collaborate on current issues*, as well as share tips and resources that *make your business more successful* and your professional life easier. Enhance your career by participating in networking, financial and leadership opportunities.
