

The background features a large, abstract geometric composition. On the left, there is a large orange triangle pointing towards the bottom-left. Below it, a smaller teal triangle points towards the bottom-left. The rest of the page is filled with a large, light blue shape that resembles a trapezoid or a large triangle pointing towards the top-right.

2012 CES report

David Primes

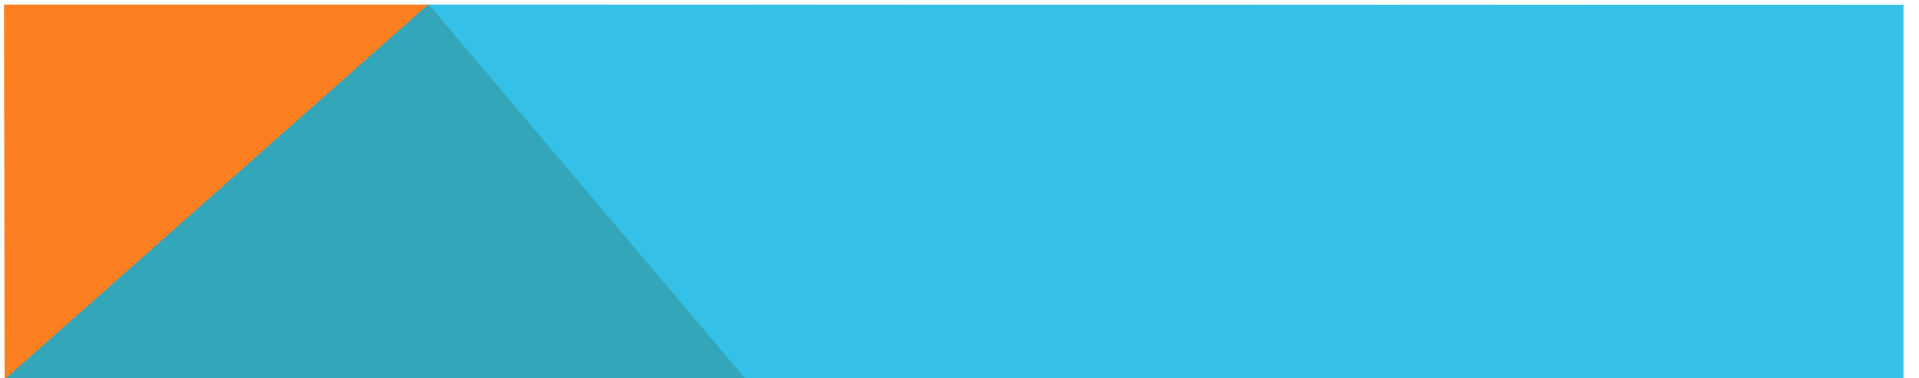

CES stats

§ 3,100 exhibitors

§ >20,000 products
