

Peer Review Enrollment

As part of the AICPA's transition to the new Peer Review Integrated Management Application (PRIMA), the current Enrollment form will be discontinued as of April 20, 2017.

To allow staff sufficient time to process your information, all enrollment forms were required to be submitted to your Administering Entity by Monday, April 10, 2017.

If you are unable to submit your information in time, you will need to do so directly in PRIMA.

PRIMA will launch Monday, May 1, 2017.

Firms attempting to enroll in peer review will log into PRIMA at: prima.aicpa.org after May 1, 2017.
