

Attorney-Banker-CPA Networking Event

Sponsoring the 2015 Attorney-Banker-CPA Networking Breakfast is an unparalleled opportunity to meet key decision makers in the Southern California financial community. Your sponsorship provides a unique opportunity to market your company to our Chapter's 11,000 members and hundreds of bankers and attorneys who attend the event. You will also get the unique opportunity to work side by side with the Chapter Leadership on the Event Committee.

Your sponsorship fee supports the Los Angeles Chapter's Charles Gumbiner Lou Savett Memorial Scholarship Fund. Scholarships go to accounting students who demonstrate academic excellence and a dedication to community service. Past recipients are from USC, UCLA, Loyola Marymount University, California State University, Northridge and Woodbury University. Your sponsorship makes a critical difference by helping young men and women get a great education, and help us identify and nurture future leaders.
