

TOP 150

We realize each accounting firm has its own unique needs—from the education necessary to keep staff current on the latest rules and regs to staffing to business operations. We've designed our Firm Membership program to meet those needs—and are thankful for the following top 150 firms that have partnered with us and experience the value we provide. We appreciate, too, our **100% membership** firms—those that

have taken their involvement a step further to ensure all of their eligible staff are CalCPA members. Thank you for continuing to believe in what CalCPA means for our profession.
