

CalCPA Salutes Those Who Keep CPA-PAC Strong

Providing a Voice

CalCPA's independent, voluntary, nonprofit political action arm supports candidates regardless of political affiliation based on their ability to make a difference for California CPA businesses. The stronger CPA-PAC becomes through increased membership and contributions, the greater our chances for affecting positive, pro-CPA change in California's political climate. We'd like to thank *all* those that have contributed to CPA-PAC this year. A complete list of donors is available at www.calcpa.org/PC_entirelist. You have made a difference for the CPA profession in California. If you haven't yet joined CPA-PAC do so today at www.calcpa.org/cpa_pac.
