

OUTSTANDING ACCOUNTING EDUCATOR AWARD

NOMINATION FORM - 2020

Award Criteria

The *Outstanding Accounting Educator Award* recognizes contributions to accounting education from demonstrated excellence in teaching and/or endeavors in research over a sustained period of time through:

- *Excellence in teaching and mentoring*, as evidenced by receiving various awards or citations;
- *Educational innovation*, including developing curriculum, case studies and new programs;
- *Published* articles in professorial or academic journals and/or written textbooks for use in accounting classes;
- *Significant involvement* in professional and/or academic societies and related activities.

A nominee need not excel in every one of these general criteria to merit consideration for the award but may have demonstrated strengths in one or a few of these areas. Any faculty, administrator, practitioner - any individual or organization - may make a nomination. Nominees should be a member of CalCPA and if not, a membership will be offered to them. The winner(s) will be announced in CalCPA's magazine, California CPA, and presented with a plaque and cash award of \$1,000 at the Annual Council Meeting in June.

Purpose

The program has two purposes:

- To increase the level of awareness of California CPAs and other members of the California business community of the importance of the accounting profession.
- To recognize full-time college accounting educators for their leadership, teaching excellence and significant contributions made to accounting education in California.
