

2020 Public Service Award Nomination Form

The purpose of the Public Service Award is to reward visionary professionals, and the firms they lead, for extraordinary efforts in serving their communities. Furthermore, it is important to think of it not so much as a prize, but as an opportunity to help inspire others in the field to follow your example. Sometimes it is not obvious to firms how to get involved, or the benefits accruing from reaching out and being actively engaged in community enrichment. By explaining your company's principles and sharing your successful ideas you are serving as a role model for the profession and expanding the effect of your good efforts.

The candidate must be a member in good standing of the California Society of Certified Public Accountants having an active CPA license and meet at least one or more of the following qualifications.

- ❖ has participated in charitable, civic or religious activities that have had a long-term, significant effect on the community; or
- ❖ has been responsible for a public service project that has a positive, significant impact on the community; or
- ❖ has served in a notable volunteer capacity in local, state or national government; or
- ❖ has served in an outstanding manner as an appointed or elected official at the local, state or national service level

Instructions: Attachments, such as references, background articles and your personal remarks concerning the candidate's qualifications are welcomed. Submit any additional information that would be useful in evaluating the candidate's qualifications for this award.
