Benefit Plans Designed for CalCPA Member Firms

Medical • Dental • Vision • Disability • Life

CalCPA Health provides CalCPA member firms with quality health plans and excellent customer service. Our members have access to the largest provider networks in California for medical, dental, and vision plans. Our life and disability plans, like our other programs, are designed specifically for CPA firms.

Our mission is to serve CalCPA member firms by offering the following benefit products and services:

- Access to the largest largest networks available in California:
 - Anthem Blue Cross doctors and hospitals
 - Delta Dental
 - Vision Service Plan (VSP)
- Administration through a **single source – one premium bill and one point of contact** for enrollment, changes and customer service across all coverages
- *Unparalleled* customer service – just ask our members – people you know through CalCPA
- 11 different preferred provider plan options (PPO):
 - 7 copay plans
 - 4 high-deductible plans
 - 1 HRA plan
 - 3 HSA-eligible plans

(designed to be paired with a Health Savings Account through the financial institution of your choice)
- 2 HMO plans for firms with 2 or more plan participants
- LiveHealth Online providing members with 24/7 doctor visits without leaving their home or office
- Dedicated account managers to help firm administrators manage employee benefits

CalCPA Health is at your Service

CalCPA Health is operated and regulated as a Multiple Employer Welfare Arrangement (MEWA) by the U.S. department of labor and the California Department of Insurance. As a MEWA, there are certain regulatory and financial advantages over the for-profit insurance providers, resulting in value to members. CalCPA Health is well capitalized and is the only MEWA in the country that has applied for and received an A.M Best insurance rating.
