All inserts must be submitted to California CPA magazine for approval. Binding and additional postage costs are additional to space rate and are noncommissionable. Inserts are to be shipped prepaid. Each carton should be labeled with the name of the advertiser, number of copies in each package and the publication issue and year. Number of inserts required per issue is 36,000.

California CPA is published 10 times per year; combined issues are January/February and March/April.

Deadlines for space reservation or cancellations are the first of the month for the following month’s issue (e.g. June 1 for the July issue). The art deadline is the fifth of the month for the following month’s issue. Deadlines are subject to change. If your ad is time sensitive, please notify the advertising department before placing your insertion order.

Note: All advertising is subject to approval by the California Society of CPAs.

- More California CPAs read California CPA than any other business publication. And our members tell us that only California CPA delivers the news and information they need to practice as a CPA in California.
- All CPAs are state licensed. The laws and regulations that govern California CPAs are among the nation’s toughest, creating a demand among CPAs for up-to-date news and information. California CPA meets that demand.
- One out of every eight CPAs practices in California. Contact them through the media they prefer and read—California CPA.

Discounts

A 15 percent ad agency discount will be granted to any recognized advertising agency reserving California CPA magazine space for an advertiser, provided the account is paid in U.S. dollars within 30 working days of invoice date. Recognized advertising agencies must have three or more active clients and should be prepared to have this substantiated. Agency’s client will be responsible for all costs if agency fails to settle account.

Contract Regulations

An advertising contract covers a 12-month period, dating from the first insertion issue. For any contract with fewer than a 10-time insertion order, placement of advertisements in the magazine will be consecutive unless notified by the advertiser by the space reservation deadline.

Cancellations must be in writing and must be received on or before the published space reservation deadline. Cancellations that do not meet these conditions cannot be honored. Covers are non-cancelable. Should an advertiser cancel a contract in the middle of the contracted term, all advertising will be short-rated at the one-time rate.

New advertisers should submit a credit application prior to fulfillment of any contracted advertising. Advertising rates are subject to change. In the event of a change, advertisers will be protected at their contracted rates for the duration of their contracted period.

Payment due net 30 days from invoice date. If agency or client fails to pay within 30 days, advance payment for future placement of advertising will be required. Also, new contracts will not be generated unless all previous invoices have been remitted. Commissionable rate to recognized advertising agencies is 15 percent of gross.

CalCPA reserves the right to decline any advertisement considered unethical or unsuitable, regardless of contract. Agency and advertiser expressly warrant that they have the right to publish the advertising. Agency and advertiser shall indemnify publisher against all damages and related expenses (including legal fees) arising from the publication of the advertising.
